**Report: Session on 'Delivering a Powerful Speech'**

A good speech has various ingredients like correct pronunciation, grammatical correctness, coherence, and intonation. In addition to this, a persuasive speech also demands an effective structuring and placement of ideas. The ideas that need to be conveyed should be arranged logically and in a sequence that places emphasis on the most crucial aspects. The IQAC of HVPS's College of Law organised a session on 'Delivering a Powerful Speech' with an aim to help students to understand the need and ways to draft an impactful speech. The lecture was arranged on 2 May 2023, from 11 a.m. The session helped the participants understand how a powerful introduction and a strong closing makes a speech more compelling and memorable. Students recognised the need of effective concepts like Primacy and Recency, Surprise and Repetition to make their speech more impressive.

The students actively participated in the session and took part in the discussions during the lecture. The session was organised under the guidance of the principal, Dr. Madhura Kalamkar and IQAC coordinator Mr. Amar Salve. The content was prepared and delivered by Ms. Asha Selvakumar and Asst. Prof. Tanavi Naik was the event coordinator.

Outcome:

The session was appreciated by the participants as it gave them an idea of drafting and impactful speech by organising their thoughts and ideas in the right manner and keeping in mind the audience they are addressing to. It helped to highlight the significance of the techniques that will help them deliver a memorable speech.
