## Report on Research Methodology webinar on the theme "Preparation of Research Design"

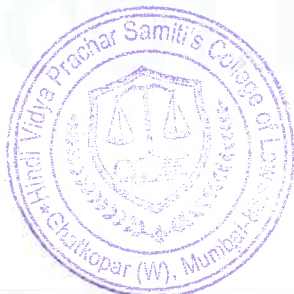

In an effort to instill a culture of research excellence and provide students and faculty with essential research skills, the Internal Quality Assurance Cell (IQAC) of Hindi Vidya Prachar Samiti's College of Law organized a **research methodology webinar on the theme "Preparation of Research Design" on August, 25<sup>th</sup>, 2022**, starting at 7:00 AM. The event concentrated on the intricate aspects of research methodology, with a particular emphasis on crafting robust research designs. IQAC Coordinator, Assistant Professor Amar Salve, warmly welcomed the distinguished guest speaker, Mr. Sajid Sheikh, Assistant Professor of Law and Acting Assistant Registrar (Academic) at Maharashtra National Law University, Mumbai, who brought a wealth of experience and expertise to the discussion.

The esteemed guest speaker offered a profound perspective on the topic, emphasizing that a well-prepared research design serves as the linchpin of successful research endeavors. It acts as a guiding roadmap, leading researchers through the complexities of data collection and analysis while ensuring the research process remains rigorous, logical, and aligned with its objectives. Moreover, a meticulously designed research plan not only facilitates meaningful results but also significantly contributes to the advancement of knowledge within both academic and professional domains. It is indeed an indispensable tool for aspiring researchers and scholars.

The webinar sessions addressed various aspects, including understanding the fundamentals of research design, exploring diverse types of research designs, formulating hypotheses, and practical insights. Real-world case studies were presented to demonstrate the tangible impact of well-structured research designs. The webinar's impact was evident, with participants gaining invaluable insights into the pivotal role of research design within the research process. The practical guide provided step-by-step instructions for crafting research designs, addressing research questions and objectives, and forming hypotheses, all with a strong emphasis on real-world application. The webinar also featured an interactive Q&A session where attendees had the opportunity to seek clarification and engage in meaningful discussions with the speakers.

### **Research Outcome:**

The webinar was a resounding success, equipping participants with the knowledge and skills needed to excel in the realm of research methodology. Participants gained a comprehensive understanding of the core components that constitute an effective research design. The interactive discussion allowed for a deep dive into these topics
