Report: National Webinar on Research Methodology

Date: 18-20th April 2023

Hindi Vidya Prachar Samiti's College of Law conducted the National Webinar on Research Methodology from April 18–20, 2023, on the Zoom application. The guest speakers were eminent academicians from reputed universities across the globe who have contributed extensively in the field of research. The brochure for the programme was circulated eight days prior to the commencement of the programme, and more than 300 registrations were received across the country on the Google Form.

At the inaugural session on April 18, 2023, Assistant Professor Divyang Potdar extended a warm welcome to the dignitaries, faculties, and students. The webinar was live-streamed on YouTube for all the sessions. In her opening Statement, HVPS's College of Law's I/C Principal Dr. [Mrs.] Madhura Kalamkar, highlighted the significance of the research and advised students to explore the arena of research.

Assistant Professor Mr. Amar Salve introduced the first guest speaker, Assistant Professor Dr. Mohammed Salim Khan from Parul University, Gujarat. He commenced his lecture by throwing light on the importance of literature reviews. He further added how sources for the literature review could be explored and utilized and advised a definite way to structure the literature review. Dr. Khan explained in detail what can be considered a good literature review. Assistant Professor Amar Salve expressed gratitude for an engaging and informative lecture. Our next guest speaker, Assistant Professor Abhishek Negi from National Law University-Mumbai, was welcomed by Assistant Professor Ms. Tejal Chaudhary. Mr. Negi explained how research problems could be defined and enlightened participants about the right way to approach research. He further stated characteristics of a good research problem. Assistant Professor Mrs. Sonal Jain expressed sincere gratitude to the speaker for his valuable input. It was followed by the last session on the importance of research and its methodologies. Assistant Professor Shriya Prabhu welcomed research scholar Ms. Mariangela Barletta from "La Sapienza"

University of Rome. She illuminated participants with the importance of research and its methodologies. She explained the significance of research methodology in providing a framework for design, sampling methods, and data collection. Assistant Professor Shriya Prabhu expressed sincere gratitude for the enlightening session. The feedback form was shared with students at the end of the first day to get their perspectives.

For the first session on April 19, 2023, Assistant Professor Ms. Tanavi Naik welcomed the first guest speaker of the day, Research Scholar Dr. Sangeeta Desai from Inclusive Horizon. After giving a brief introduction to qualitative research, Dr. Desai further explained the principles and application of qualitative research. The second session began with a warm welcome given by Assistant Professor Mrs. Rituparna De. She introduced participants to the guest speaker, Professor Dr. Mrudul Nile from the University of Mumbai. The session began with Dr. Nile describing the significance of the conceptual framework. He further explored the different aspects of quantitative research. At the end, Mrs. Rituparna De formally thanked the speaker for the insightful lecture and the participants for patiently listening to the session. The feedback form was shared with participants at the end of the second session.

On the last day of the lecture series, April 20 2023, the session began with the formal welcome address given by Assistant Professor Mrs. Saisha Ghosalkar. She introduced the first guest speaker, Assistant Professor Mr. Akhilesh Yadav, from the Tata Institute of Social Science. Mr. Yadav demonstrated the effective use of the citation software 'Zotero' after explaining the theoretical aspect of it. Mr. Saisha Ghosalkar thanked the speaker for the engaging session. It was followed by Assistant Professor Ms. Sonal Jain introducing the second speaker for the day: Assistant Professor Mr. Adithya Variath from National Law University, Mumbai. Mr. Variath gave a practical demonstration of multiple software programmes to present data in the most elegant manner. He further stated the significance of adequate sample size for the right research outcome. He also emphasized the importance of data visualization in presenting research. Librarian Ms. Neha Naik expressed sincere gratitude to the guest speaker for his cutting-edge presentation on data visualization. Further, she thanked the principal, management, and staff for their support and cooperation.

The feedback form was shared at the end of the session to take valuable input from sincere participants, and certificates were also distributed to them for attending the webinar. The feedback form consisted of subjective questions about the lecture delivered. For the three-day National Webinar on Research Methodology, more than 200 feedback forms were received. 90.2% of participants stated that the webinar was helpful in pursuing their research, and they
