**Report: Session on 'Preparing Impactful Presentations'**

Presentations are a powerful tool to present information in an impressive way. The IQAC of HVPS's College of Law organised a session on 'Preparing Impactful Presentations' to help students create presentations through which they can present any information or data available to them in an effective and concise manner. The session was conducted on 6 May 2021, from 11 a.m. The lecture helped the participants to learn the significance of visual tools to capture the audience's attention and retain information.

The session highlighted the significance of the use of appropriate font style, colours, pictures, graphs, and charts in presentations. The session was organised with the support of the principal, Dr. Madhura Kalamkar. The content was designed and delivered by Neeta Chakravarthy.

**Outcome:**

The session was appreciated by the participants as it gave them an idea about the visual aspects that can enhance any presentation. Additionally, they were given ideas and tips for effective use of font style and size, themes, colours, graphs, charts, images to complement the content they add to the slides of a presentation. They also gained an idea of managing the information available to communicate effectively with the audience.
