Report on the National Webinar dated 12th August 2020

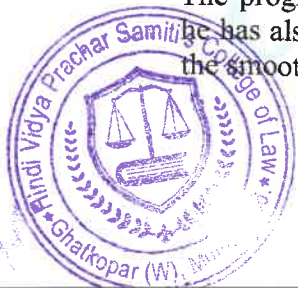

The college had added one more feather in the cap by conducting another National webinar on the theme of “**Intellectual Property Rights and Access to Medicines**” dated 12th August 2020 through online mode. After successfully organising National webinar on 8th August 2020 the college had not stop there but within a very short span of time organised another National webinar on the theme which have apt practical applicability in the recent COVID-19 situation. In this phase when everyone is eagerly waiting for the preventive vaccine on the COVID-19, this webinar proved to be very helpful to know about the patent registration of newly discovered medicine. It also helps to know the procedure that the newly invented drug needs to go through before ready to sale in the market.

The college had kept no registration fees and invited all students, teachers and even legal practitioner from all over the country. We had circulated Registration link online and received very promising number of registration within limited time period. We had received numerous questions relating to theme during the process of online registration which shows the general interest in the webinar topic.

The programme initiated with the welcome speech delivered by Asst. Prof. Amar Salve and he has also given some important instructions which need to be followed by participants for the smooth functioning of online webinar. Our honourable principal Dr. Madhura Kalamkar

madam had welcome all the dignitaries and given the brief introduction of our webinar Guest Speaker Mr. Sajid Sheikh.

Mr. Sajid Sheikh is very well known personality and having very core knowledge in the area of Intellectual Property Law. Guest speaker had spoken about the general concepts of Intellectual Property Law. He had thrown light on the topic with reference of some international legal regimes and conventions. He had explained the topic with the help of some current case studies and recent illustrations. He also covered the process of patent registration and how it needs to be following thoroughly within legal jacket. After that the question answer session hosted by our honourable principal Dr. Madhura Kalamkar madam, by selecting topic related questions send by participants during the session. Guest speaker had answered all the questions very prominently and also appreciated the modus operandi of our college-webinar. A vote of thanks extended by Asst. Prof. Amar Salve towards all the dignitaries and participants and also appreciated the flawless technical support provided by our college technical team in a very cloudy weather. Lastly we have provided feedback link which flooded with a very positive and moral boosting feedback. All participants received their participation E-certificate through their register email address. The overwhelming response from participants belongs to different states of the country encouraged us to conduct such kind of webinar in the future.
